CARE FOR INFANTS, CHILDREN AND ADOLESCENTS

Administrative Fee Agreement 2026

I agree to an administrative fee being charged. I understand this fee covers costs for items and services that may not be associated with medical services and are not reimbursed nor covered by my health insurance plan.

The annual administrative fee is determined by using the age of the youngest child in the family as the base amount. Each additional child under the age of 18 years will incur an extra fee of $300.00, while those aged 18 years old or older will incur a fee of $250.00. **To prevent the fee from becoming excessive we have put a cap of $1,200.00 per family.**

The discounted rate for older siblings will only apply if the administrative fee is paid for all children in the family at the same time. If payment is made for only one child, or if payments are staggered across different dates, each older sibling will incur the regular administrative fee.

New families only: The admin fee will be prorated on a quarterly basis for the 1st year if you join the practice after April 1st.
